Ms. Lori J. Robinson
Staff Attorney
Austin Independent School District

OR2014-21233

Dear Ms. Robinson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 543967.

The Austin Independent School District (the "district") received a request for three categories of information related to a named former teacher. We understand you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information other statutes make confidential, such as section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355. In Open Records Letter No. 643 (1996), this office interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In that opinion, we concluded a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* In addition, the Third Court of Appeals has held a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment

regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

Upon review, we find the submitted information consists of evaluations of the named individual for purposes of section 21.355. You state, and provide documentation showing, this individual held the appropriate certification under subchapter B of the Education Code and was employed by the district as a teacher at the time of the evaluations at issue. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
