Mr. John K. McKinney, Jr.
Assistant County Attorney
Open Records Division
Montgomery County
501 North Thompson, Suite 300

OR2014-21704

Dear Mr. McKinney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545232 (ORR File 14PIA0425).

The Montgomery County Precinct 4 Constable's Office (the "constable's office") received a request for the employment applications and other specific items of information related to two named officers of the constable's office.¹ You claim the submitted information is excepted from disclosure under sections 552.108 and 552.1175 of the Government Code.²

¹You inform us the constable's office sent the requestor an estimate of charges pursuant to section 552.2615 of the Government Code. *See* Gov't Code § 52.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You also inform us the constable's office received the required deposit on September 11, 2014. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

²Although you raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See Open Records Decision Nos. 474 at 4-5 (1987)*. Where a governmental body possesses information relating to a pending case of a law enforcement agency, the governmental body may withhold the information under section 552.108 if (1) it demonstrates the information relates to the pending case and (2) this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information. You state, and provide documentation demonstrating, the Montgomery County District Attorney’s Office (the “district attorney’s office”) objects to release of the submitted information because the officers at issue were the arresting officers in multiple pending criminal cases and release of the submitted information would interfere with the prosecution of these cases. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on these representations and our review, we conclude section 552.108(a)(1) of the Government Code is applicable. Thus, the constable’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney’s office.⁴

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

³We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

⁴As our ruling is dispositive, we need not address your remaining argument against disclosure.
