GREG ABBOTT

December 2, 2014

Mr. John Ohnemiller  
First Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702

OR2014-21726

Dear Mr. Ohnemiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545384 (Midland ID# 15105).

The Midland Police Department (the "department") received a request for thirteen categories of information relating to a specified motor vehicle accident. You state you have released some responsive information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 accident report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065(b). Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with two of the requisite pieces of required information pursuant to section 550.065(c)(4). Accordingly, the department must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.101 of the Government Code also encompasses information made confidential by other statutes, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982).* Upon review, we find the information we have marked constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by someone under the supervision of a physician. Accordingly, the department must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA.

Section 552.101 also encompasses information made confidential by chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See Open Records Decision No. 649 (1996).* We understand the City of Midland is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. You state the telephone number you have marked consists of the originating telephone number furnished by a 9-1-1 service supplier. Accordingly, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

The submitted information contains motor vehicle record information subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 provides information relating to a motor vehicle operator's or driver's license, title, or registration issued by a Texas agency, or an agency of another state or country, is excepted from public release. *See* Gov't Code § 552.130(a)(1)-(2). The department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c)(4) of the Transportation Code. The department must withhold (1) the information we have marked under section 552.101 of the Government Code in conjunction with the MPA; (2) the information you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code; and (3) the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released.<sup>2</sup>
