December 3, 2014

Mr. Brandon W. Carr  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, Third Floor  
Fort Worth, Texas 76102

OR2014-21807

Dear Mr. Carr:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 551367 (PIR No. W038242).

The City of Fort Worth (the "city") received a request for information pertaining to a specified case number. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, including section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). We note the requestor has not provided the city with two of the three requisite pieces of information specified by the statute. Accordingly, the city

must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state release of the remaining information will interfere with a pending criminal investigation. Based on this representation, we find the city has demonstrated release of the information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

As you acknowledge, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the basic information, which you state has been released, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

In summary, the city must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of the basic information, which you state has been released, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>
