You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545613 (McKinney ID# 10-11798).

The McKinney Police Department (the "department"), which you represent, received a request for information related to a specified motor vehicle accident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country. Gov't Code § 552.130(a). Upon review, we find the submitted video recording contains information subject to section 552.130 of the Government Code. You state the department does not have the technological capability to redact the information at issue from the video recording. Accordingly, the department must withhold the submitted video recording in its entirety under section 552.130.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
