Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2015-00052

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 549793 (COSA File No. W033810).

The City of San Antonio (the "city") received a request for information related to injury leave for public safety workers for the city. You claim the requested information is exempted from disclosure under sections 552.101 through 552.153 of the Government Code. We have considered the exceptions you claim.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is exempted from public disclosure. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See Gov't Code § 552.301(b)*. Additionally, under section 552.301(e), a governmental body receiving an open records request for information that it wishes to withhold pursuant to one of the exceptions to public disclosure is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or

sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). Although the city states it received the request on October 16, 2014, the submitted documentation reflects the city received the request for information on October 8, 2014; thus, the city was required to request a decision from this office by October 22, 2014, and to submit the information required by section 552.301(e) by October 29, 2014. However, the city did not submit a request for a decision to this office until October 30, 2014. Further, as of the date of this letter, the city has not submitted to this office a copy of the specific information requested or a representative sample. Accordingly, we find the city failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the information is public and must be released, unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). Normally, a compelling reason exists when third-party interests are at stake or when information is confidential under the Act or other law. Open Records Decision No. 150 (1977). Because the city has failed to comply with the requirements of the Act, the city has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Furthermore, because you have not submitted a copy or representative sample of the specific information requested to this office for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order you to release the requested information in accordance with section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
