Mr. Miguel Salinas  
Staff Attorney  
Brownsville Independent School District  
1900 Price Road  
Brownsville, Texas 78521-2417

OR2015-00073

Dear Mr. Salinas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 548903 (Brownsville ISD No. 7705).

The Brownsville Independent School District (the "district") received a request for surveillance video and pictures relating to a specified incident at a named district high school and a statement from a named individual pertaining to another specified incident. You state you do not have any information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.114 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note a portion of the submitted information, which we have marked, is not responsive to present request. The district need not release nonresponsive information in response to this request, and this ruling will not address that information.

Next, we note the United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, does not permit state and local educational authorities to

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.<sup>2</sup> Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which “personally identifiable information” is disclosed. *See* 34 C.F.R. § 99.3 (defining “personally identifiable information”). You have submitted unredacted education records for our review. Because our office is prohibited from reviewing these records to determine the applicability of FERPA, we will not address its applicability to any of the responsive information. Such determinations under FERPA must be made by the district. Likewise, we do not address your argument under section 552.114 of the Government Code. *See* Gov’t Code §§ 552.026 (incorporating FERPA into Act), .114 (excepting from disclosure “student records”); Open Records Decision No. 539 (1990) (determining same analysis applies under section 552.114 of Government Code and FERPA). However, we will address your remaining arguments against disclosure of the responsive information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which provides, in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Section 58.007(c) is applicable to law enforcement records of juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). For purposes

of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather the juvenile must be involved as a suspect, offender, or defendant. *See id.* § 58.007(c). Upon review, we find you have not established the submitted responsive information consists of juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. Therefore, we find you have failed to demonstrate the applicability of section 58.007 to the information at issue, and it may not be withheld under section 552.101 on this basis. As you raise no further exceptions to disclosure, the district must release the responsive information. This ruling does not address the applicability of FERPA to the responsive information. Should the district determine that all or portions of the responsive information consist of "education records" that must be withheld under FERPA, the district must dispose of that information in accordance with FERPA, rather than the Act.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
