Dear Ms. Perez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 548658.

The City of Socorro (the "city"), which you represent, received a request for the bid tabulations for solicitation number 14-006. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.104 of the Government Code excepts from required public disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The purpose of section 552.104 is to protect the purchasing interests of a governmental body in competitive bidding situations where the governmental body wishes to withhold information in order to obtain more favorable offers. *See* Open Records Decision No. 592 (1991). Section 552.104 protects information from disclosure if the governmental body demonstrates potential harm to its interests in a particular competitive

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

situation. *See* Open Records Decision No. 463 (1987). Generally, section 552.104 does not except information pertaining to a completed bidding process for which a contract has been executed. *See* Open Records Decision No. 541 (1990).

You inform us the submitted information was gathered through a competitive bidding process and no contract has been executed. Additionally, you assert release of the information at issue may interfere with the city's ability to obtain the best possible bids. Based on your representations, we conclude the city may withhold the submitted information under section 552.104 of the Government Code. *See* Open Records Decision No. 170 at 2 (1977) (release of bids while negotiation of proposed contract is in progress would necessarily result in advantage to certain bidders at the expense of others and could be detrimental to public interest in contract under negotiation).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
