Ms. Natasha Brooks

OR2015-00880

Dear Ms. Brooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556741.

The Midland Police Department (the "department") received a request for the report pertaining to a specified accident. You indicate the department is withholding motor vehicle record information pursuant to section 552.130(c) of the Government Code.¹ You state the department has released some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. See Open Records Decision No. 649 (1996). You indicate the City of Midland is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. We conclude the department must withhold the telephone numbers at issue under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if they consist of the originating telephone numbers furnished by a 9-1-1 service supplier. The department may not withhold any telephone number that does not consist of the originating telephone number provided by a 9-1-1 service supplier under section 552.101 in conjunction with section 772.318.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
