Ms. Jennifer Matte
Assistant County Attorney
County of Harris
1019 Congress, 15th Floor
Houston, Texas 77002

OR2015-00883

Dear Ms. Matte:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 551784 (ORR# 14PIA0318).

The Harris County Pollution Control Services Department (the "county") received a request for information pertaining to any environmental concerns at a specified facility.¹ You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹You state the county sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

The submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of completed investigations that are subject to section 552.022(a)(1). The county must release the completed investigations pursuant to section 552.022(a)(1) unless they are excepted from disclosure under section 552.108 of the Government Code or are made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(1) under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the submitted information may not be withheld under section 552.103 of the Government Code. However, because section 552.137 of the Government Code makes information confidential under the Act, we will consider the applicability of section 552.137 to the submitted information.³

Section 552.137 of the Government Code excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See id.* § 552.137(a)-(c). The e-mail addresses at issue are not excluded by subsection (c). Therefore, the county must withhold the personal e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners affirmatively consent to their public disclosure.

We note some of the materials at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public

³The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the county must withhold the personal e-mail addresses we have marked under section 552.137 of the Government Code, unless the owners affirmatively consent to their public disclosure. The county must release the remaining information pursuant to section 552.022(a)(1) of the Government Code; however, any information that is subject to copyright may be released only in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Claire V. Morris Sloan
