Ms. Judith N. Benton
Assistant City Attorney
City of Waco
P.O. Box 2570
Waco, Texas 76702-2570

OR2015-01149

Dear Ms. Benton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 550689 (Waco Ref. No. LGL-14-286).

The City of Waco (the "city") received a request for the city police department's "general orders standard operating procedures, policies and/or steps to be taken in the event of kidnappings (for both adult and child victims) and hostage situations." You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from required public disclosure an internal record of a law enforcement agency maintained for internal use in matters relating to law enforcement or prosecution if "release of the internal record or notation would interfere with law enforcement or prosecution." Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977)). A governmental body that seeks to withhold information under section 552.108(b)(1) must sufficiently explain how and why the release of the information would interfere with law enforcement and crime prevention. *See* Gov't Code § 552.301(e)(1)(A); *City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.) (section 552.108(b)(1) protects information that, if released, would permit private citizens to anticipate weaknesses in police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate state laws); *see also Ex parte Pruitt*, 551 S.W.2d 706; Open Records Decision Nos. 562 at 10 (1990), 531 at 2. This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.,*

Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state release of the submitted city police department policy would interfere with law enforcement duties and the detection of crime. Upon review, we find you have not demonstrated how the release of any of the information at issue would interfere with law enforcement or crime prevention. Accordingly, the city may not withhold any of the submitted information under section 552.108(b)(1) of the Government Code. As no further exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
