Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 555769.

The McKinney Police Department (the "department"), which you represent, received a request for information pertaining to a specified accident. The department states it has released some of the requested information, but claims the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The submitted video recordings contain motor vehicle record information that is subject to section 552.130. The department states it lacks the technical capability to redact the information subject to section 552.130 from the video recordings. Based on this representation, we agree the department must withhold the submitted video recordings in their entirety under section 552.130. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
