Assistant City Attorney
City of College Station

OR2015-01758

Dear Mr. Haislet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556755.

The College Station Police Department (the "department") received a request for nine categories of information pertaining to a specified motor vehicle accident. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 accident report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). However, section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.

In this instance, the requestor has provided the department with the required information pursuant to section 550.065(c)(4). Although you seek to withhold this information under section 552.108 of the Government Code, we note a statutory right of access generally

prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the department must release the submitted CR-3 accident report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information is related to a pending prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 statutory warning form. The statutory warning has previously been provided to the arrestee. Because this document has previously been released to the arrestee, we find you have not shown how its release will interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). As the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the statutory warning and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the statutory warning contains information is subject to section 552.130 of the Government Code.¹ Section 552.130 provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal

identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of basic information and the statutory warning, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the basic information and the statutory warning, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.
