

February 5, 2015

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
450 Cypress Creek Road
Cedar Park, Texas 78613

OR2015-02279

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 557737 (Ref No. 15-369).

The Cedar Park Police Department (the "department") received a request for information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). However, section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.¹ In this instance, the requestor has provided the district attorney with two of the three specified pieces of information

¹See Transp. Code § 550.0601 ("department" means Texas Department of Transportation).

pursuant to section 550.065(c)(4). Although you seek to withhold this information under section 552.108 of the Government Code, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 623 at 3 (1994) (exceptions in Act inapplicable to information statutes expressly make public), 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the submitted CR-3 report must be released in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information in Exhibit C relates to a criminal case that is pending prosecution with the Williamson County District Attorney’s Office. Based upon your representation, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the remaining information in Exhibit C under section 552.108(a)(1) of the Government Code.²

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130(a). Accordingly, the department must withhold the motor vehicle record information you have marked, and the additional information we have marked, under section 552.130 of the Government Code.

In summary, the department must release the submitted CR-3 report in its entirety under section 550.065(c)(4) of the Transportation Code. The department may withhold the remaining information in Exhibit C under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information you have marked, and

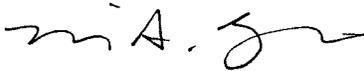

²As our ruling is dispositive, we need not consider your remaining argument against disclosure of this information.

the additional information we have marked, under section 552.130 of the Government Code. The department must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Nicholas A. Ybarra
Assistant Attorney General
Open Records Division

³We note the information being released in this instance includes information that may be confidential with respect to the general public. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Therefore, if the department receives another request for this information from a different requestor, the department must again seek a ruling from this office.
