Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 558048 (City ID No. 4203).

The City of Carrollton (the "city") received a request for the report pertaining to a specified arrest of the requestor. You state the city has released some information. You claim the submitted information is excepted from disclosure under sections 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you marked relates to

a pending criminal investigation or prosecution. Based upon your representation, we conclude release of the information you have marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the city may withhold the information you marked under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Upon review, we agree the portions of the remaining information you have marked consist of motor vehicle record information. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his own motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Accordingly, the city may not withhold the motor vehicle record information you marked under section 552.130, but must, instead, release it to the requestor.

You seek to withhold a social security number under section 552.147 of the Government Code, which authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. *Gov't Code* § 552.147(b). The requestor has a right, however, to his own social security number. *See generally id.* § 552.023(b). Therefore, the city may not withhold the marked social security number under section 552.147, but must, instead, release it to the requestor.

In summary, the city may withhold the information you marked under section 552.108(a)(1) of the Government Code. The city must release the remaining information to this requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
