Dear Ms. Estringel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 553353 (PIR # 14-4905).

The Texas Department of Public Safety (the "department") received a request for all department records for a specific citation number. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted a video in response to the request for all records. Thus, to the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.*

§§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an ongoing criminal investigation and release of the information would interfere with that investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on these representations and our review, we conclude section 552.108(a)(1) of the Government Code is applicable. Thus, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
