Dear Mr. Guerra:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 553308 (ORR No. 974).

The City of Mission (the "city"), which you represent, received a request for information pertaining to the city's police department's Mine-Resistant Ambush Protected vehicle. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision Nos. 474 at 4-5 (1987), 372 at 4 (1983)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the information at issue is related to an ongoing criminal investigation being conducted by the Texas Rangers. You further state the Texas Rangers have asked the city not to release the information at issue because disclosure of this information would interfere with the ongoing investigation. Based on these representations and our review, we conclude section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find section 552.108(a)(1) is applicable to the information you have marked.

However, section 552.108 does not except from disclosure basic information about a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, 531 S.W.2d at 186–87. *See* Open Records Decision No. 127 (summarizing types of information considered to be basic information). We note you seek to withhold the entire narrative portion of the submitted report under section 552.108. The remaining portions of the report do not contain information sufficient to satisfy the requirement that a “detailed description of the offense” be released as basic information. *See* ORD 127. Accordingly, we determine the city must release a sufficient portion of the narrative to encompass a detailed description of the offense to satisfy the required release of basic information pursuant to *Houston Chronicle*. Thus, with the exception of the basic information, the city may withhold the information you have marked under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
