The Brenham Police Department (the "department") received a request for information pertaining to a specified incident. You state the department has released some information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We note the requestor has a right of access to her client's motor vehicle record information. *Id.* § 552.023(a) (person or person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Upon review, we find the submitted video recording contains motor record vehicle information that does not belong to the requestor's client. You state the department does not have the technological capability to

redact this information from the submitted video recording. Accordingly, the department must withhold the submitted video recording in its entirety under section 552.130 of the Government Code.
