Dear Ms. Mares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 558697.

The City of McKinney (the "city"), which you represent, received a request for information related to a specified motor vehicle accident. You state the city has released a portion of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You assert the submitted video recording contains motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's or driver's license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we agree the submitted video recording contains motor vehicle record information. In this instance, you state the city does not possess the technological capability to redact information from video files. Thus, we agree the city must withhold the entire submitted video recording under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
