OR2015-03072

Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 553852.

The City of Lewisville (the "city") received a request for a specified incident report involving the requestor. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides, "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to fraudulent use of identifying information, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure. *See* Crim. Proc. Code art. 2.29. Although you seek to withhold the submitted information under section 552.108 of the Government Code, this exception does not make information confidential. Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the city may not withhold the submitted information under section 552.108 of the Government Code. However, we note the submitted report contains information protected by section 552.130 of the Government Code, which makes information confidential for purposes of article 2.29.¹ Accordingly, we will address the applicability of section 552.130.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

We note some of the remaining information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released; however, any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
