Dear Ms. Pell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 558266 (PIR No. 3912).

The Baytown Police Department (the "department") received a request for a specified report. You state the department will withhold the social security numbers you have marked under section 552.147(b) of the Government Code.¹ You claim some of the submitted information is excepted from disclosure under sections 552.108, 552.130, and 552.152 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states

¹Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147(b).

the information it has marked relates to a pending criminal investigation and prosecution. Upon review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.²

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the department must withhold the motor vehicle record information you have marked in the remaining information under section 552.130 of the Government Code.

Section 552.152 of the Government Code provides:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Id. § 552.152. You inform us the information you have marked relates to undercover police officers. You state release of this information would subject these officers to a substantial threat of physical harm. Based on your representations and our review, we find you have demonstrated the release of the information at issue would subject the officers at issue to a substantial threat of harm. Thus, the department must withhold the information you have marked in the remaining information under section 552.152 of the Government Code.

In summary, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The department must withhold the information you have marked under section 552.130 of the Government Code. The department must withhold the information you have marked under section 552.152 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As our ruling is dispositive, we need not address the department's remaining argument against disclosure of this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
