Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 554595 (OGC No. 159379).

The University of Texas at Arlington (the "university") received a request for information pertaining to a specified arrest. You state the university has released some information to the requestor. You claim the submitted video recordings are excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). You state, and we agree, the submitted video recordings contain motor vehicle record information subject to section 552.130. You also state the university lacks the technological capability to redact the motor vehicle record information from the video recordings. Based on this representation, we conclude the university must withhold the submitted information in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
