Harris County Sheriff's Office

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 559631 (HCSO File No. 14SO400127).

The Harris County Sheriff's Office (the "sheriff's office") received a request for traffic accident reports during a specified time period. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. The submitted information contains CR-3 Texas Peace Officer's Crash Reports. In this instance, the requestor has not provided the sheriff's office with two of the three pieces of required information pursuant to section 550.065(c)(4) for these crash reports. Accordingly, the sheriff's office must withhold the submitted CR-3 reports under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
