Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 555005 (File No. 14-856).

The City of Richardson (the "city") received a request for information regarding three specified reports. You state the city has released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information, portions of which consist of a representative sample.¹

We note the requested information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2015-02824 (2015). In that ruling, we held the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code, may withhold

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

the information in Exhibit C under section 552.108(a)(1) of the Government Code, and may withhold the information you marked under section 552.147 of the Government Code. We have no indication the law, facts, or circumstances on which the prior ruling was based have changed. Accordingly, the city must continue to rely on Open Records Letter No. 2015-02824 as a previous determination and withhold the submitted information in accordance with that ruling. As we are able to make this determination, we need not address your arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
