

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 6, 2015

Mr. Miguel Salinas
Staff Attorney
Brownsville Independent School District
1900 Price Road
Brownsville, Texas 78521-2417

OR2015-04307

Dear Mr. Salinas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 555623 (BISD No. 7960).

The Brownsville Independent School District (the "district") received a request for a copy of "salary comparisons done by [a named individual] and others." You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and submit documentation demonstrating, prior to the district's receipt of the instant request, a lawsuit styled *Terri L. Spellane and Claudia I. Ramirez v. Brownsville Independent School District, et. al*, Civil Action No. B-14-240, was filed in the United States District Court for the Southern District of Texas. You further state the submitted information is related to the pending litigation because it pertains to the claims in the lawsuit. Upon review of your arguments and the information at issue, we find the information at issue relates to litigation that was pending when the district received the present request for information. Therefore, we conclude the district may withhold the submitted information under section 552.103 of the Government Code.

However, we note once information has been obtained by all parties to the pending litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing party in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision Nos. 350 (1982), 349 at 2.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
