Dear Ms. Martin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560675 (Arlington Police Department Reference No. 19292).

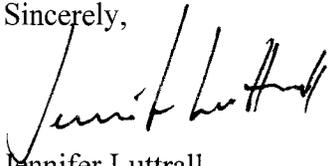

The Arlington Police Department (the "department") received a request for a specified report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, including section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). You inform us the requestor has not provided the department with two of the three requisite pieces of information specified by the statute. Accordingly, the department must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
