ATTORNEY GENERAL OF TEXAS

March 9, 2015

Mr. Tuan Nguyen
Staff Attorney
Houston Police Department
1200 Travis Street
Houston, Texas 77002

OR2015-04469

Dear Mr. Nguyen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 555973 (ORU No. 14-8232).

The Houston Police Department (the "department") received a request for a copy of a specified complaint affidavit. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 143.1214 of the Local Government Code. You state the City of Houston is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 provides in relevant part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for

the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). You inform us the submitted information relates to an internal affairs division investigation of alleged misconduct by department officers. You state the investigation involves allegations that were not sustained and no disciplinary action was taken. You further state the requestor does not represent another law enforcement agency or fire department or a district or United States attorney's office. You assert the information at issue does not meet the requirements of section 143.1214(c) for inclusion in the officers' civil service personnel files. *See id.* § 143.1214(c); *see also id.* § 143.089(a)-(g). Thus, based on your representations and our review, we conclude the submitted information must be withheld under section 552.101 of the Government Code in conjunction with section 143.1214(b) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
