ATTORNEY GENERAL OF TEXAS

Sergeant Alex Arnold  
Northlake Police Department  
1400 FM 407  
Northlake, Texas 76247

OR2015-04533

Dear Sergeant Arnold:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 555932.

The Northlake Police Department (the "department") received a request for thirty-four categories of information related to two specified cause numbers.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code.<sup>2</sup> We have also received comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the submitted arguments and reviewed the submitted information.

---

<sup>1</sup>You state the department sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

<sup>2</sup>Although you raise section 552.022 of the Government Code, that provision is not an exception to disclosure. Rather, section 552.022 enumerates categories of information that are not excepted from disclosure unless they are expressly made confidential under the Act or other law. *See* Gov't Code § 552.022.

Initially, the requestor contends he was not timely notified of the department's request for a ruling from this office as required by section 552.301(d) of the Government Code. Pursuant to section 552.301(d) of the Government Code, a governmental body must, within ten business days of receiving the request for information, provide the requestor with (1) a written statement the governmental body wishes to withhold the requested information and has asked for a decision from the attorney general, and (2) a copy of the governmental body's written communication to the attorney general. *Id.* § 552.301(d). You state the department received the request for information on November 10, 2014. The department sought clarification of the request on November 10, 2014, and received clarification from the requestor on December 17, 2014. *See City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed). This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the department's ten-business-day deadline to provide information to the requestor pursuant to section 552.301(d) was January 2, 2015. We note the envelope in which the department sent its request for a ruling was postmarked December 30, 2014. The request for a ruling indicates the requestor was copied on the correspondence. *See id.* § 552.308(a) (prescribing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department complied with the procedural requirements mandated by subsection 552.301(d) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 730.004 of the Transportation Code, which provides, "[n]otwithstanding any other provision of law to the contrary, including chapter 552, Government Code, except as provided by Sections 730.005-730.007, an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. Section 730.004 applies only to an "agency" that compiles or maintains motor vehicle records. *See id.* § 730.003(1). You have not established the department compiles or maintains motor vehicle records; therefore, section 730.004 does not apply to the department, and the department may not withhold any of the submitted information on this basis.

Section 552.108 of the Government Code provides, in part:

- (a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

(1) release of the information would interfere with the detection, investigation or prosecution of crime [or]

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

*Id.* § 552.108(a)(1), (2). As a general rule, the protections afforded by subsections 552.108(a)(1) and 552.108(a)(2) are mutually exclusive. Subsection 552.108(a)(1) is applicable to information pertaining to a pending criminal investigation or prosecution, while subsection 552.108(a)(2) protects law enforcement records pertaining to a criminal investigation or prosecution that concluded in a final result other than a conviction or a deferred adjudication. A governmental body claiming an exception under section 552.108 must reasonably explain how and why the exception it claims is applicable to the information the governmental body seeks to withhold. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information pertains active cases that have not resulted in conviction or deferred adjudication. We note, however, the submitted information includes a citation, which we have marked. Because the requestor received a copy of the citation, we find release of the citation will not interfere with the detection, investigation, or prosecution of crime. Therefore, the department may not withhold the citation under section 552.108(a)(1). However, based on the department's representations, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus section 552.108(a)(1) of the Government Code is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the marked citation and basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. We note section 552.130 protects

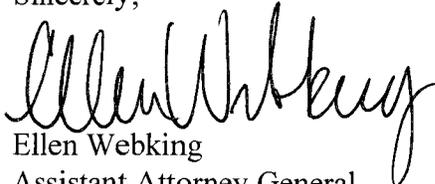

personal privacy. Thus, the requestor has a right of access to his own motor vehicle record information under section 552.023 of the Government Code, and it may not be withheld from him under section 552.130 of the Government Code. *See id.* § 552.023(a) (person or person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself).

In summary, with the exception of the marked citation and the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
