Mr. John Saenz  
Crime Records Office  
McAllen Police Department  
P.O. Box 220  
McAllen, Texas 78505-0220

OR2015-04708

Dear Mr. Saenz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556269.

The McAllen Police Department (the "department") received a request for the full report, photographs, video, and audio related to a specific incident. The department states it has released some information. The department claims the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.1085 provides, in part:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

Gov't Code § 552.1085(c). For purposes of section 552.1085, "sensitive crime scene image" means "a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person's genitalia." *See id.* § 552.1085(a)(6). Upon review, we find none of the submitted photographs consist of sensitive crime scene images for the purposes of section 552.1085. Accordingly, the

department may not withhold the submitted photographs under section 552.1085(c) of the Government Code.

We note portions of the submitted photographs are subject to section 552.130 of the Government Code.<sup>1</sup> Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. *Id.* § 552.130(a). Upon review, we find the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. As the department raises no further exceptions to disclosure, the department must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
