ATTORNEY GENERAL OF TEXAS

March 12, 2015

Mr. K. Scott Oliver
Corporate Counsel
San Antonio Water System
P.O. Box 2499

OR2015-04782

Dear Mr. Oliver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556040 (ORR No. 3824).

The San Antonio Water System (the "system") received a request for the evaluation sheets and certain bid response documents pertaining to four specified projects. You state the system has provided some of the requested information to the requestor. Although you take no position with respect to the public availability of the remaining requested information, you state release of this information may implicate the proprietary interests of CYMI Industrial; Webber, LLC; and Oscar Renda Contracting, Inc. Accordingly, you state, and provide documentation showing, the system notified these third parties of the request for information and of their rights to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under the circumstances). We have reviewed the submitted information.

Initially, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the notified third parties explaining why the

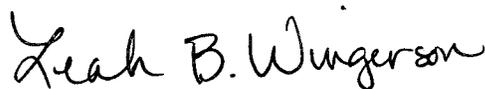

submitted information should not be released. Therefore, we have no basis to conclude these third parties have protected proprietary interests in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the system may not withhold the submitted information on the basis of any proprietary interests the notified third parties may have in the information.

We note some of the submitted information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit. Thus, the system must release the submitted information, but may only release any copyrighted information in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Leah B. Wingerson
Assistant Attorney General
Open Records Division
