Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966

OR2015-04996

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 556353 (COSA File No. W045563).

The City of San Antonio (the "city") received a request for information associated with the suspension of a named city police officer. You claim the requested information is excepted from disclosure under sections 552.101 through 552.153 of the Government Code. We have considered the exceptions you claim.

We must address the city's procedural obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body that receives a request for information it wishes to withhold under an exception to disclosure must submit to this office within fifteen business days of receiving the request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The city received the instant request for information on December 12, 2014. You inform this office city offices were closed from December 24, 2014, through January 1, 2015. Accordingly, the fifteenth business day after receipt was January 13, 2015. As of the date of this letter, you have not submitted arguments explaining why the stated exceptions apply or a copy or

representative sample of the specific information requested. Consequently, we find the city failed to comply with the requirements of section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the information is public and must be released, unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). Normally, a compelling reason exists when third-party interests are at stake or when information is confidential under the Act or other law. Open Records Decision No. 150 (1977). Because the city has failed to comply with the requirements of the Act, the city has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Furthermore, because you have not submitted a copy or representative sample of the specific information requested to this office for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order you to release the requested information in accordance with section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
