

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 25, 2015

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2015-05679

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 557441.

The City of Conroe (the "city") received a request for the monthly water and sewer bills for a specified period for the Conroe Regional Medical Center. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 182.052 of the Utilities Code provides in relevant part the following:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or

amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). “Personal information” under section 182.052(a) means an individual’s address, telephone number, or social security number. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). We note because section 182.052 is intended to protect the safety and privacy of individual customers, this statute is applicable only to information pertaining to natural persons, and does not protect information relating to business, governmental, and other artificial entities. *See* ORD 625 at 4-5 (in context of section 182.051(4) of the Utility Code, “individual” means only natural persons and does not include artificial entities). The scope of utility services covered by section 182.052 includes water, wastewater, sewer, gas, garbage, electricity, or drainage service. Util. Code §182.051(3).

You state the submitted information relates to a customer who has requested confidentiality for its account information. In this instance, however, the customer at issue is a business, not a natural person. Therefore, none of the submitted information is confidential under section 182.052 and the city may not withhold any portion of the submitted information under section 552.101 in conjunction with section 182.052 of the Utility Code.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Upon review, the city must withhold the customer utility account number we have marked under section 552.136 of the Government Code. The remaining submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
