Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 558309 (Frisco Reference Number P002792-011215).

The Frisco Police Department (the "department") received a request for information pertaining to a specified incident. You state the department will release some of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's license or driver's license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See Gov't Code* § 552.130(a)(1)-(2). Upon review, we find the submitted video recording contains motor vehicle record information subject to section 552.130 of the Government Code. You state the department lacks the technological capability to redact the motor vehicle record information from the submitted video recording. Based on this representation, we conclude the department must withhold the submitted video recording in its entirety under section 552.130 of the Government Code.<sup>1</sup>
