Dear Ms. Alcorn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 563773 (Corpus Christi File #247).

The Corpus Christi Police Department (the "department") received a request for a list of the names and contact numbers for current officers and detectives whose last names begin with a specified letter. You claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You seek to withhold the identifying information of undercover officers from the submitted information under section 552.152 of the Government Code. Section 552.152 provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. You state the information you have marked consists of the identities of undercover officers. You represent the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find

section 552.152 is applicable to the identity of the undercover officers within the information at issue. Accordingly, the department must withhold the identifying information of the undercover officers, which you have marked, under section 552.152 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
