OR2015-06570

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 559136 (CCPD File No. LMat1).

The Corpus Christi Police Department (the "department") received a request for information pertaining to a specific drowning accident. The department claims the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470(1987).

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the responsive information was used or developed in an investigation of alleged or suspected child abuse. *See id.* §§ 261.001 (defining “abuse” for purposes of chapter 261 of the Family Code), 101.003(a) (defining “child” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. We have no indication the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, we conclude the responsive information is confidential pursuant to section 261.201 of the Family Code, and the department must withhold the responsive information under section 552.101 of the Government Code.<sup>2</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Rahat Huq  
Assistant Attorney General
