

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 8, 2015

Mr. Darrell G-M Noga
Counsel for the City of Coppell
Cantey Hanger LLP
1999 Bryan Street, Suite 3300
Dallas, Texas 75201-6822

OR2015-06683

Dear Mr. Noga:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560173 (City ORR No. W001075-012015).

The City of Coppell (the "city"), which you represent, received a request for the photographs and the arrest report related to a specified incident. You state the city will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample information.¹

Initially, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record[,]" unless the information is expressly made confidential under the Act or other law. Gov't Code § 552.022(a)(17). You seek to withhold the information at issue under section 552.108 of the Government Code.

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

However, this section is a discretionary exception to disclosure that protects a governmental body's interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the city may not withhold the court-filed documents, which we have marked, under section 552.108. However, because section 552.130 of the Government Code makes information confidential for purposes of section 552.022, we will address its applicability to the court-filed documents subject to section 522.022(a)(17). Further, we will address your arguments against disclosure of the remaining information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. The submitted information contains a CR-3 Texas Peace Officer's Crash Report. In this instance, the requestor has not provided the city with two of the three pieces of required information pursuant to section 550.065(c)(4). Accordingly, the city must withhold the submitted CR-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending investigation being conducted by the city's police department. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information does not include motor vehicle record information protected by section 552.130 of the Government Code. See ORD 127 at 3-4. Thus, with the exception of the basic information, the information subject to section 552.022(a)(17) of the Government Code, and the information you state you will release, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

We note portions of the documents subject to section 552.022(a)(17) of the Government Code and the documents you state you will release are subject to section 552.130 of the Government Code. Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

Section 552.147 of the Government Code provides "[t]he social security number of a living person is excepted from" required public disclosure under the Act. *Id.* § 552.147(a). The city may withhold the social security number in the basic information under section 552.147 of the Government Code.

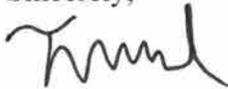

In summary, the city must withhold the submitted CR-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of the basic information, the information subject to section 552.022(a)(17) of the Government Code, and the information you state you will release, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city may withhold the social security number in the basic information under section 552.147 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As our ruling is dispositive for this information, we need not address your remaining arguments against its disclosure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
