Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 564432.

The Flower Mound Police Department (the "department") received a request for twelve categories of information related to a specified motor vehicle accident. You state the department will redact social security numbers pursuant to section 552.147(b) of the Government Code.¹ You claim portions of the submitted information are excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted the dashboard camera recording pertaining to the specified accident. To the extent any additional information responsive to this request existed and was maintained by the department on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

¹Section 552.147(b) of the Government Code authorizes a governmental body to redact the social security number of a living person without the necessity of requesting a decision from this office under the Act. *See* Gov't Code § 552.147(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130(a)*. Accordingly, the department must withhold the motor vehicle record information in the audio and video portions of the submitted recording under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
