ATTORNEY GENERAL OF TEXAS

April 9, 2015

Ms. Susan Fillion
Assistant County Attorney
Harris County Sheriff's Office
1200 Baker Street, 2nd Floor
Houston, Texas 77002-1206

OR2015-06859

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 561375 (HCSO File No. #14SO600394).

The Harris County Sheriff's Office (the "sheriff's office") received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we must address the obligations of the sheriff's office's under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See* Gov't Code § 552.301(b). You state the sheriff's office received the request for information on January 27, 2015. You do not inform us the sheriff's office was closed for any business days between January 27, 2015, and February 10, 2015.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Accordingly, you were required to provide the information required by subsection 552.301(b) by February 10, 2015. However, your request for ruling was sent to this office in an envelope that was meter marked February 14, 2015. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the sheriff's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* ORD 630. The sheriff's office claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interests and may be waived; as such, it does not constitute a compelling reason to withhold information. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, no portion of the submitted information may be withheld under section 552.108 of the Government Code. However, section 552.130 of the Government Code can provide a compelling reason to overcome this presumption.² Therefore, we will address the applicability of section 552.130 to the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Accordingly, the sheriff's office must withhold the motor vehicle record information we have indicated under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, the sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
