ATTORNEY GENERAL OF TEXAS

April 13, 2015

Ms. Elizabeth Hanshaw Winn  
Assistant County Attorney  
County of Travis  
P.O. Box 1748  
Austin, Texas 78767

OR2015-07072

Dear Ms. Winn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 559751.

Travis County (the "county") received a request for the following information regarding request for proposals number 1407-009-CW: 1) the proposal submitted by the winning bidder, 2) a list of all bidders, 3) the pricing submitted by all bidders, and 4) evaluation criteria scores. Although we understand you take no position regarding the release of the submitted information, you indicate release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified Ceridian; Deer Oaks EAP Services, L.L.C.; Humana; and Interface EAP of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the third parties explaining why their information should not be released. Therefore, we have no basis to conclude any of the third parties has a protected proprietary interest in

the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold any of the information at issue on the basis of any proprietary interest any of the third parties may have in it. As no exceptions to disclosure have been raised, the county must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Kristi L. Godden  
Assistant Attorney General
