Dear Ms. Mares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560241 (File No. 10-13221).

The City of McKinney (the "city"), which you represent, received a request for information related to a specified motor vehicle accident, to include associated dashboard camera videos. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country. Gov't Code § 552.130(a). Upon review, we find the submitted video recordings contain information subject to section 552.130 of the Government Code. You state the city does not have the technological capability to redact the information at issue from the video recordings. Accordingly, the city must withhold the submitted video recordings in their entirety under section 552.130.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
