Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560103.

The Town of Flower Mound (the "town"), which you represent, received a request for two specified reports, a specified 9-1-1 audio recording, and the audio recording of the requestor's non-emergency call. You state you will release some information to the requestor. You claim a portion of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted 9-1-1 audio recording does not contain discernible information that is subject to section 552.130. As such, the town may not withhold any portion of the audio recording on that basis. As you raise no further exceptions to disclosure, the town must release the submitted audio recording.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
