Ms. Leticia D. McGowan  
School Attorney  
Dallas Independent School District

OR2015-07299

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560266 (ORR# 13722).

The Dallas Independent School District (the "district") received a request for a specified video recording. You claim the submitted information is exempted from disclosure under sections 552.101 and 552.135 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code exempts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201 of the Family Code, which provides, in part, the following:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers

used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a); *see id.* §§ 101.003(a) (defining “child” for purposes of chapter 261), 261.001 (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). You claim the submitted information is confidential under section 261.201. You assert the submitted video recording was used or developed in an investigation of child abuse conducted by the Dallas Police Department, the Texas Department of Family and Protective Services, or the district’s police department. Upon review, we find the submitted video recording was used or developed in an investigation of alleged or suspected child abuse under chapter 261 and must be withheld under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.<sup>1</sup>
