Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 564259.

The Beaumont Police Department (the "department") received two requests for all information related to a motor vehicle incident. The department states it will release the responsive CR-3 Crash Report Form to the requestors. *See* Transp. Code § 550.065(c)(4) (governmental body must release accident report to a person who provides two of the following three items of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident). You claim the submitted information is excepted from disclosure under sections 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977).

The department states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which the department must release, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Rustam Abedinzadeh
Assistant Attorney General

¹As our ruling is dispositive, we need not address your remaining arguments against disclosure, except to note that basic information described in *Houston Chronicle* does not include information subject to section 552.130 of the Government Code.
