Ms. Susan Fillion

Harris County Sheriff's Office

OR2015-07483

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560587 (HCSO File #15SO30025).

The Harris County Sheriff's Office (the "sheriff's office") received a request for the 9-1-1 call related to a specified incident. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the sheriff's office claims and reviewed the submitted information.

Initially, we must address the obligations of the sheriff's office under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See* Gov't Code § 552.301(b). The sheriff's office received the request for information on January 22, 2015. This office does not count the date the request was received or any dates the governmental body was closed as business days for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the sheriff's office was required to provide the information required by section 552.301(b) by February 5, 2015. However, the sheriff's office submitted the required information in an envelope meter-marked February 9, 2015. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the sheriff's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing the information is made confidential by another source of law or affects third-party interests. *See* ORD 630.

The sheriff's office claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interests and may be waived; as such, it does not constitute a compelling reason to withhold information. *See Simmons*, 166 S.W.3d at 350 (section 552.108 is not compelling reason to withhold information under section 552.302); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, in failing to comply with section 552.301, the sheriff's office has waived its argument under section 552.108, and may not withhold the submitted information on this basis. As no further exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
