

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 22, 2015

Ms. Maureen Franz
Deputy Chief Counsel
Texas Health and Human Services Commission
P.O. Box 13247
Austin, Texas 78711

OR2015-07693

Dear Ms. Franz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560717.

The Texas Health and Human Services Commission (the "commission") received a request for all documents during a specified time period pertaining to "the enforcement of, disciplinary actions under, or the prosecution and sentencing of persons" under a specified statute. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 531.1021 of the Government Code, which provides in relevant part:

(g) All information and materials subpoenaed or compiled by the [commission's Office of the Inspector General ("OIG")] in connection with an audit or investigation or by the office of the attorney general in connection with a Medicaid fraud investigation are confidential and not subject to disclosure under [the Act], and not subject to disclosure, discovery, subpoena,

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

or other means of legal compulsion for their release to anyone other than the [OIG] or the attorney general or their employees or agents involved in the audit or investigation conducted by the [OIG] or the attorney general, except that this information may be disclosed to the state auditor's office, law enforcement agencies, and other entities as permitted by other law.

(h) A person who receives information under Subsection (g) may disclose the information only in accordance with Subsection (g) and in a manner that is consistent with the authorized purpose for which the person first received the information.

Id. § 531.1021(g), (h). The commission states the requested information was compiled by the OIG in connection with investigations of alleged Medicaid fraud currently being conducted by the OIG. Based on these representations and our review, we conclude the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code.

The commission asks this office to issue a previous determination permitting it to withhold OIG investigatory records under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code without seeking a ruling from this office. *See id.* § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Lauren Dahlstein
Assistant Attorney General
Open Records Division
