Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 566290.

The 9th Judicial District Attorney's Office (the "district attorney's office") received a request for the polygraph test results for a named individual regarding a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code also encompasses information made confidential by section 1703.306 of the Occupations Code, which provides,

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;

- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

Occ. Code § 1703.306(a), (b). The submitted information consists of information acquired from a polygraph examination. The requestor does not fall within any of the categories of individuals who have a right of access to the submitted polygraph information under section 1703.306(a). Accordingly, the district attorney's office must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.
