Ms. Kim Havel
County Attorney
Medina County

Dear Ms. Havel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 561709.

Medina County (the "county") received a request for a specified mental competency evaluation. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as section 611.002 of the Health and Safety Code, which governs the public availability of mental health records and provides:

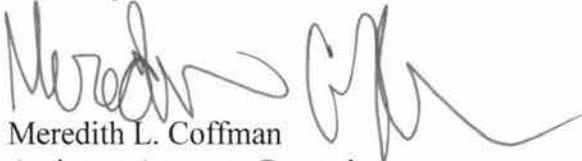

- (a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.
- (b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b); *see id.* § 611.001 (defining “patient” and “professional”). Upon review, we find the submitted information consists of mental health records. Therefore, the county must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.¹
