Dear Mr. Fletcher Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 562354.

The Palo Pinto County Hospital District (the "district"), which you represent, received a request for (1) all documents relating to the acquisition of any interest in six named facilities; (2) all correspondence referencing PharMerica Corporation and/or pharmacy services at any of the six named facilities; and (3) all correspondence to or from any representative of three named companies and/or three named individuals. The district states it does not have information responsive to categories two and three of the request.<sup>1</sup> The district claims the submitted information is excepted from disclosure under sections 552.103 and 552.107 of the Government Code. We have considered the exceptions the district claims and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

---

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

The requestor claims the district failed to comply with section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The district states it received the request for information on February 12, 2015. We note February 16, 2015, was a holiday. This office does not count the date the request was received or holidays as business days for the purpose of calculating a governmental body's deadlines under the Act. The district does not inform us it was closed for business on any of the other days at issue. Accordingly, the fifteen-business-day deadline was March 6, 2015. However, the information required under section 552.301(e) was hand-delivered to our office on March 18, 2015. Consequently, we agree the district failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. Open Records Decision No. 150 at 2 (1977). The district claims sections 552.103 and 552.107 of the Government Code for the submitted information. However, these exceptions are discretionary in nature. They serve to protect a governmental body's interests and may be waived; as such, they do not constitute compelling reasons to withhold information. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 676 at 10-11 (2002) (attorney-client privilege under section 552.107(1) may be waived), 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, the district may not withhold any portion of the submitted information under section 552.103 or section 552.107 of the Government Code. As the district raises no other exceptions to disclosure, it must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
