ATTORNEY GENERAL OF TEXAS

May 1, 2015

Mr. John C. West
General Counsel
Office of the Inspector General
Texas Department of Criminal Justice
4616 West Howard Lane, Suite 250
Austin, Texas 78728

OR2015-08484

Dear Mr. West:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 563450.

The Texas Department of Criminal Justice's Office of the Inspector General (the "department") received a request for information pertaining to the death of a named inmate. You state you have released some responsive information to the requestor with redactions. You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.108, and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.134 of the Government Code is applicable to information related to inmates of the department. Section 552.134(a) states that

[e]xcept as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an

inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides in part that

[n]otwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Thus, section 552.134 is explicitly made subject to section 552.029. Although the inmate to whom the submitted information pertains is deceased, section 552.134 is applicable to information that relates to the decedent as an inmate. Thus, we find section 552.134 is generally applicable to the submitted information. We note, however, the information in question is related to the death of an inmate in custody. Therefore, the department must release basic information about the inmate's death pursuant to section 552.029. The basic information that must be released includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Accordingly, except for basic information under section 552.029(8) of the Government Code, the department must withhold the submitted information under section 552.134 of the Government Code.¹

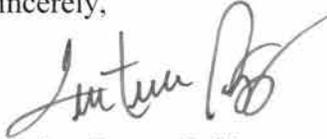

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As our ruling is dispositive, we need not address your other arguments against disclosure of this information. We note basic information under section 552.029(8) corresponds to the basic front-page information that may not be withheld under section 552.108 of the Government Code.
