Dear Mr. Darby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 561925.

The San Antonio Independent School District (the "district"), which you represent, received a request for information regarding four specified positions and all teachers, educational aides, and substitute teachers who have worked with a named student. You state the district will provide some of the requested information to the requestor. You also state the district will redact certain information under section 552.130(c) of the Government Code and social security numbers under section 552.147(b) of the Government Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130 without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Initially, we note a portion of the submitted information, which we have marked, is not responsive to the present request because it was created after the request was received. This ruling does not address the public availability of any information that is not responsive to the request, and the district is not required to release such information in response to this request.³

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”). Chapter 411 authorizes the Texas Department of Public Safety (the “DPS”) to compile and maintain CHRI from law enforcement agencies throughout the state and to provide access to authorized persons to federal criminal history records. *See id.* §§ 411.042, .087. In 2007, the Legislature enacted section 411.0845 of the Government Code, which provides, in relevant part:

(a) The [DPS] shall establish an electronic clearinghouse and subscription service to provide [CHRI] to a particular person entitled to receive [CHRI] and updates to a particular record to which the person has subscribed under this subchapter.

(b) On receiving a request for [CHRI] from a person entitled to such information under this subchapter, the [DPS] shall provide through the electronic clearinghouse:

(1) the [CHRI] reported to the [DPS] or the Federal Bureau of Investigation relating to the individual who is the subject of the request; or

(2) a statement that the individual who is the subject of the request does not have any [CHRI] reported to the [DPS] or the Federal Bureau of Investigation.

...

(d) The [DPS] shall ensure that the information described by Subsection (b) is provided only to a person otherwise entitled to obtain [CHRI] under this subchapter. Information collected under this section is confidential and is not subject to disclosure under [the Act].

Id. § 411.0845(a)-(b), (d). Section 411.097(b) of the Government Code provides, in part, that “[a] school district . . . is entitled to obtain from the [DPS CHRI] maintained by the

[DPS] that the district . . . is required or authorized to obtain under Subchapter C, Chapter 22, Education Code, that relates to a[n] . . . employee of the district[.]” *Id.* § 411.097(b). Pursuant to section 22.083(a-l) of the Education Code, a school district is authorized to obtain CHRI from the DPS’s electronic clearinghouse. *See* Educ. Code § 22.083(a-l)(l). Section 22.08391(d) of the Education Code states any CHRI received by a school district is subject to section 411.097(d) of the Government Code. *Id.* § 22.08391(d). Section 411.097(d) provides, in relevant part:

(d) [CHRI] obtained by a school district, charter school, private school, service center, commercial transportation company, or shared services arrangement in the original form or any subsequent form:

(1) may not be released to any person except:

(A) the individual who is the subject of the information;

(B) the Texas Education Agency;

(C) the State Board for Educator Certification;

(D) the chief personnel officer of the transportation company, if the information is obtained under Subsection (a)(2); or

(E) by court order[.]

Id. § 411.097(d)(1). The submitted responsive information consists of CHRI obtained by the district through the DPS criminal history clearinghouse. We note the requestor is not an individual authorized to receive information under section 411.097(d)(1). Therefore, the district must withhold the submitted responsive information under section 552.101 of the Government Code in conjunction with sections 411.0845 and 411.097(d) of the Government Code.⁴

⁴As our ruling is dispositive, we need not address your remaining argument for some of this information.
